DETAILED ACTION

Response to Amendment

1. Applicant's amendment filed July 28, 2004, has been entered and made of record.
2. Applicant's arguments (Pages 15-18) have been fully considered. Prior arts of record do not teach the amended claim limitations, consequently, the rejections of Claims 1-16 have been expressly withdrawn.

Allowable Subject Matter

3. The following is an examiner's statement of reasons for allowance:

The instant invention recite disclose a method of processing multiple structured images using an imaging input device with smart platen so as to reduce occurrence of image orphans due to bleeding of edges in scanning multiple digital images arranged upon the smart platen, comprising:

scanning the multiple objects with the imaging input device with a smart platen so as to produce an input image ;

generating linked lists with greater than three edge pixels therein for the input image data produced in the scanning;

generating boundaries of and identifying bounding boxes for a first structured image and a second structured image from the bin lists;

determining whether an overlap exists between the identified bounding boxes of the first and second structured images, and merging the first structured image and the

second structured image for a third structured image when an overlap of bounding boxes is determined; and,

modeling a new bounding box for the third structured image from the merging of the first and second images wherein the new bounding box contains the orphaned first and second structured images and represents a depiction of the orphaned first and second structured images.

The features identified, in combination, are neither discussed nor suggested by the prior arts of record.

4. Claims 1-6, 8, 9-114 and 16 are allowed.
5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
